

New Product Announcement

The new Variocage 00379 Single L + offers the same width and depth as our 00380 Variocage Single XL but features a slightly lower height to accommodate vehicles such as a Volvo V90, Mercedes E Class Wagon or similar vehicles that are limited by the height of cargo door frame.

The new Variocage 00379 Single L + is 27.10" in height compared to the 00380 Variocage Single XL which is 28.14" in height. The full dimensions of the new Variocage 00379 Single L + are as follows:

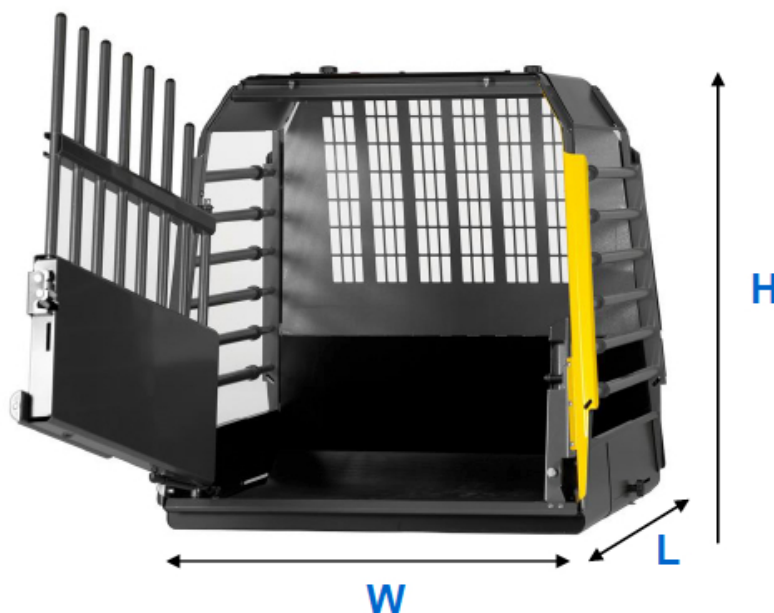

Adjustable Length 31.89" - 40.55"

Fixed Width 27.55"

Fixed Height 27.10"

VARIOCAGE ORIGINAL SL+
