

## **Available in 24 Configurations!**

### VarioGate Single – 3 Bar Wing

VarioGate Single with Short Divider

VarioGate Single with Short Divider + Left Extension Wing

VarioGate Single with Short Divider + Left Extension Wing + VarioBarrier / VarioBarrier HR

VarioGate Single with Long Divider

VarioGate Single with Long Divider + Left Extension Wing

VarioGate Single with Long Divider + Left Extension Wing + VarioBarrier / VarioBarrier HR

- The VarioGate Single is recommended for use with a VarioBarrier or VarioBarrier HR to provide maximum safety and protection for you, your passengers and your dog(s).
- The VarioGate Single does not offer the option to be used without a Divider since the VarioGate Divider is part of the safety engineering and design of the system.
- The VarioGate Single comes with a Short or Long Divider and a 3 Bar or 4 Bar Left Wing Extension depending on your needs.
- In addition, the VarioGate Single is engineered and designed for installation only on the Driver's Side of the Cargo Space.
- The Variogate Single provides useful storage space in your cargo area during travel while keeping your dog or 2 small or medium size dogs safe when traveling together.

### VarioGate Double – 3 Bar Wings
